AN EXCEPTIONAL REAL ESTATE EXPERIENCE

THE PROCESS

Choosing the right price for your home is one of the most important components of the selling process. I understand the nuances of the market and can work with you to determine a competitive and fair price for your home.

How I determine the most effective listing price is based off of local market trends and similar homes that have sold in the area, as well as my 13+ years of experience selling homes.

YOUR HOME
TOGETHER!**

THE MARKETING PLAN

I will prepare a personalized marketing plan including the listing on MLS, on my social channels, on my personal website and in traditional print.

PREPARE HOME FOR SALE

Before you list your home, you'll want to make sure your home is as marketable as possible. You may want to consider some repairs that could help add value to your property, such as fixing any water damage or foundation concerns. Even small cosmetic changes can have a big impact in the eyes of a buyer, such as replacing outdated light fixtures or giving your home a fresh coat of paint. I will work with you to help identify updates that may help increase the value of your home.

ACCEPTING OFFERS

Once your home is on the market and a buyer is interested, he or she will submit an offer to me through their own agent. While the offer may differ from your asking price, you are able to reject or counter it if you'd like.

I will help you understand the conditions, provisions and obligations of the offer prior to you making any decision.

Once you accept an offer, you'll be officially under contract!

“

We chose Anita to sell our home and to represent us in the build of our new home. Anita was so accommodating, listened to our opinions and concerns, and provided professional advice along the way. We sold our house the weekend it went up for sale and the process was seamless. With our build, she was always on our side, making sure we got what wanted - it was such a pleasure to work with her!

- Karyn & Bob

From the very first conversation we had with Anita we knew we made the right decision. Her knowledge of the Winnipeg market is amazing and she made us feel comfortable right from the beginning. She is fast at responding to any questions we had no matter the time of day. She sold our house in a day which was beyond our expectations. In our opinion she is the top realtor in the city. We highly recommend Anita to anyone that is looking to sell no matter the house or property.
